Lumenfield Labs: Company OKRs, October 2026 to March 2027

Sample data for testing DocuMind; all names and figures are fictional. Covers the second half of the financial year (October 1, 2026 to March 31, 2027). Owner: Ananya Iyer, CEO. Approved October 6, 2026. Progress is reviewed at each monthly all-hands meeting.

Objective 1: Grow Ledgerly

- Key result 1.1: Reach 3,800 paying customers by March 31, 2027, up from about 3,200 in October 2026.
- Key result 1.2: Keep monthly customer churn below 2%.
- Key result 1.3: Launch multi-currency invoicing by January 15, 2027. Owner: Tomás Rivera.

Objective 2: Launch Fieldnote publicly

- Key result 2.1: Public launch on iOS and Android in February 2027.
- Key result 2.2: 150 paying teams by March 31, 2027.
- Key result 2.3: An average app store rating of at least 4.5 stars.

Objective 3: Make internal knowledge easy to find

- Key result 3.1: 80 monthly active DocuMind users by March 2027, up from 46 in October 2026.
- Key result 3.2: At least 90% of DocuMind answers rated helpful in the in-app survey.
- Key result 3.3: Ship PDF support and source citations in DocuMind by the end of November 2026. Owner: Priya Raman.

Budget

The approved budget for these objectives is $420,000, split $250,000 for Ledgerly, $140,000 for Fieldnote and $30,000 for internal tools including DocuMind.
